

PROJECT HIDDEN TREASURES

Become part of the life-changing work that is occurring in the Philippines by finding hidden treasures at our garage sale and help many children in need.

ALL PROCEEDS GOES TO HELP CHILDREN IN NEED

Legions of scavengers in metro Manila make a life sifting through mountains of trash to find the "hidden treasures" that may bring them their meal of the day.

In shantytowns, under bridges and along railroad tracks, dump pickers and the rest of the crushingly poor live in conditions unfathomable to most Canadians.

More than half the country's 86.2 million people live in poverty. Nearly 13 million, or about 4x the population of BC, went hungry last year. The World Bank estimates half the people in the Philippines live on less than \$2 a day.
